

POP ART Sculptures

Turning popular culture and everyday objects into ART.

Objectives:

- Students will explore the style of Art called POP ART.
- Students will be able to identify pop art by artists such as Andy Warhol, Peter Marx, Keith Haring, Wayne Thiebaud and more.
- Students will be inspired by today's popular culture to create paper mache sculptures of common objects.

Procedures (as a group):

1. Select an everyday object in today's popular culture.
2. Organize a plan of action. Gather necessary items for construction. (This may require looking through items at home or looking for material donations).
3. Begin construction (base, filler, etc.)
4. Add smooth layers of paper mache to mold the form of your sculpture.
5. Paint, add details.

Grading Criteria:

- Sculpture must be an ordinary everyday object or food item.
- Sculpture must stand alone.
- Painting must be accurate and neat (and it must represent the original object you were inspired to recreate).

****Refer to general grading rubric.***
